CALIFORNIA STATE UNIVERSITY, LONG BEACH
College of Engineering
Department of Electrical Engineering
Tenure-Track Position Opening

RECRUITMENT NUMBER: 2479

POSITION: Assistant Professor of Electrical Engineering

EFFECTIVE DATE: August 20, 2018, (Fall Semester)

SALARY RANGE: Commensurate with qualifications and experience

MINIMUM QUALIFICATIONS: Ph.D. degree in Electrical Engineering, or a closely related field, at time of application or official notification of completion of the doctoral degree by August 1, 2018. Specialization in the area of Control Systems. Record of or demonstrated potential for teaching at the college level, successful research, scholarly and creative activities. Demonstrated commitment to working successfully with a diverse student population

PREFERRED QUALIFICATIONS: Demonstrated excellence in teaching at the college level. Experience in teaching courses in the area of Control Systems. Demonstrated ability and clear plans for the development of research programs in Control Systems or related fields. Demonstrated ability to supervise student projects; develop programs and curriculum; supervise student’ theses; and actively participate in academic governance.

DUTIES: Teach undergraduate and graduate courses in, or related to, Control Systems, as well as fundamental undergraduate courses in electrical Engineering. Develop curriculum, supervise graduate student theses. Responsible for developing a research program which complements and enhances ongoing research activities in Electrical Engineering and leads to publications and external funding. Engage in service to the department, college, university and community as appropriate.

CSULB seeks to recruit faculty who enthusiastically support the University’s strong commitment to the academic success of all of our students, including students of color, students with disabilities, students who are first generation to college, veterans, students with diverse socio-economic backgrounds, and students of diverse sexual orientations and gender expressions. CSULB seeks to recruit and retain a diverse workforce as a reflection of our commitment to serve the People of California, to maintain the excellence of the University, and to offer our students a rich variety of expertise, perspectives, and ways of knowing and learning.

REQUIRED DOCUMENTATION:
- A Student Success Statement about your teaching or other experiences, successes, and challenges in working with a diverse student population (approximately one page, single-spaced)
- Letter of application addressing the minimum and desired/preferred qualifications
- CV (including current email address)
- Names and contact information for three to five references
- Copy of transcript from institution awarding highest degree
• A research statement describing your research accomplishments and plans
• A teaching statement
• Finalists will also be required to submit a signed SC-1 form, three to five current letters of recommendation, and an official transcript

A background check (including a criminal records check and telephone reference check with most recent employer) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

Applications and required documentation shall be submitted through Academic Jobs Online at:

https://academicjobsonline.org/ajo/jobs/9616

Requests for information should be addressed to:
