“No matter what field they’re working in, writing is likely to be an important part of an engineers’ daily tasks,” says Richard House, president of the IEEE Professional Communication Society and coauthor of The Engineering Communication Manual.

Writing Minor Requirements: 25 credit hours at 200 level or above, of which 15 must be at the 300 level or above:

- **15 credits** from approved list of courses in academic, professional, and creative writing
- **10 credits** from approved list of courses in theory, history, and design
- **Only 5 credits** may be counted from creative writing or from courses outside English Dept

For a full list of course options, visit: english.washington.edu/english-and-writing-minors

**Recommended Courses for Engineering Students**

**Academic, Professional, & Creative Writing:**
- ENGL 281 Intermediate Expository Writing
- ENGL 282 Intermediate Multimodal Composition
- ENGL 299 Intermediate Interdisciplinary Writing, Natural Sciences
- ENGL 381 Advanced Expository Writing
- ENGL 382 Special Topics in Multimodal Composition
- ENGL 481 Special Studies in Expository Writing
- COM 359 Writing for Mass Media
- COM 464 Writing with Voice

**Theory, History, & Design:**
- ENGL 206 Rhetoric in Everyday Life
- ENGL 270 Language and Society
- ENGL 306 Introduction to Rhetoric
- ENGL 369 Research Methods in Language and Rhetoric
- ENGL 370 English Language Study
- ENGL 372 World Englishes
- ENGL 373 History of the English Language
- ENGL 374 The Language of Literature
- ENGL 375 Rhetorical Genre Theory and Practice
- ENGL 478 Language and Social Policy
- ENGL 479 Language Variation and Language Policy in North America
