Are you an international student?

Do you have to write a lot in English?

If you’re taking a class with many reading and writing assignments, join one of our Targeted Learning Communities (TLCs). Every week, your TLC group will meet with a tutor from the Odegaard Writing and Research Center. Together, you will get extra help on your class work and English language skills.

This class can be taken for 1 credit as General Studies 391 H (SLN: 14622). Sign up at: www.tinyurl.com/y7w5j38d
